PARKING ARRANGEMENTS - 133 WOODLANDS ROAD, G3 6LE

St Judes Church Car Park can hold a maximum of 22 cars. It is filled on a first come first served basis.

If you can pool with someone else please do that rather than bringing another car to park.

If you are parking in the streets around the church please make sure you have the "Ringo" app on your phone and that it has been pre-populated with your car and credit card details.

If the car park is full it is suggested that you park on one of the adjoining streets listed below, in a marked parking bay.

Open the Ringo app, enter the Ringo location code, press "Park", press "Next", select the relevant car, choose the duration of the parking session, press "Next", select the credit card, press "Next" and then press "Pay".

If payment of the parking fee makes it difficult for you to attend - please mention that to the elder/deacon standing at the door and he will reimburse you the £10 fee.
